## Privacy Policy

### 1. Introduction

This Privacy Policy outlines how BACH AKADEMIE LLP (“we”, “our”, “us”) collects, uses, stores, and protects your information when you use our services via the teacher dashboard (<https://blobit.app>) or the student mobile app (Blobit).

By using our services, you agree to the practices described in this policy.

### 2. Information We Collect

- Teacher Data: Name, email, profile information, and audio task metadata.
- Student Data: Name, email, assigned tasks (blobs/blobettes), audio recordings, ratings, streaks.
- Audio Recordings:
  - \*Important: The mobile app captures and uploads audio recordings. By using the app, you consent to audio being recorded, stored, and shared with your assigned teacher. Do not use the app to record any content that violates the law in your country.\*
- Usage Data: Device information, session activity, error logs (used for improving the service).

### 3. How We Use Your Information

- To manage accounts and authenticate users
- To assign and track tasks between teachers and students
- To store and review student audio recordings
- To display task progress, ratings, and streaks
- To improve app functionality and user experience

### 4. Data Sharing

We do not sell your personal information.

We may share data:

- With teachers (student task data and audio)
- With service providers for cloud storage or analytics (under strict confidentiality)
- If legally required (e.g., court orders)

## 5. Your Rights

- Request data access or deletion by contacting support
- Opt out of non-essential data collection (limited features may apply)

## 6. Security

We use standard security measures (such as encryption, access controls) to protect your data. However, no system is 100% secure.

## 7. Children's Privacy

The platform is intended for use by students under teacher supervision. If you are under 13 (or the age of digital consent in your country), you must have parental permission to use the app.

## 8. Changes to This Policy

We may update this policy periodically. Any major changes will be communicated via email or app notification.
